## Community Support Win with the CDD

Hello Neighbors,

We wanted to personally thank everyone who helped us, your HOA Board, by emailing your concerns to the CDD and Cc'ing us from the previous message.

With your support, we not only got through to them, but we also landed contact with the CDD Senior District Manager and established a great rapport.

Nicole and I were able to ensure all of our safety concerns for the neighborhood were thoroughly documented.

Additionally, it's been documented that the Developer left our community with missing stop signs, speed limit signs, etc., which were included in the original plans.

Those items will be installed ASAP; they will be held accountable, and we will follow up consistently.

Further, we were able to move closer to the steps necessary for having a traffic control agreement with the Sheriff's office for enforcement.

Such a win!

Now, on to getting the HOA Management ordeal under control.

Again, thank you for your incredible support!
